EXT. FRAME ONE - NIGHT (SPACE)

(Continued from issue 15)

Three bolts of electrical energy are on the

NARRATOR

Meanwhile...everything everywhere
started to re-ravel. Like a yo-yo
to its owner. Storm on top of
storm, a fierce galactic energy
was everywhere.

EXT. FRAME TWO - NIGHT (SPACE)

THE FACE is in the top middle of the frame and also in the
bottom right of the frame.

THE FACE

But who am I?

THE FACE

Happy dude?

THE FACE

Sad boy?

EXT. FRAME THREE - NIGHT (SPACE)

THE FACE is hovering in the middle of the frame as a square.

THE FACE

Am I actually square!?

THE FACE

Woof!

EXT. FRAME FOUR - NIGHT (SPACE)

THE FACE is hovering in the middle of the frame as a triangle.

THE FACE

Or a triangle?

THE FACE

I hope I am!

EXT. FRAME FIVE - NIGHT (SPACE)

LEFT FLY is in the middle left of the frame and RIGHT FLY is in the bottom left.

LEFT FLY
You are funny, friend. And
surprisingly taking this a lot
better than we thought you might,

RIGHT FLY
To answer your question simply,
yes. You are all of those things.
You are all we are not.

EXT. FRAME SIX - NIGHT (SPACE)

LEFT FLY is in the middle left of the frame, RIGHT FLY is in the middle right, and THE FACE is on the bottom of the frame.

LEFT FLY
Yes, you are the single bit of
energy that ties it all together.

RIGHT FLY
The glue.

THE FACE
Oh, shit

EXT. FRAME SEVEN - NIGHT (SPACE)

THE FACE is anchored in the bottom right corner.

THE FACE
Like, this explains a lot
actually. It makes things a lot
simpler. Like, why worry so much>
Why not flex some other dang
emotional muscles!

EXT. FRAME EIGHT - NIGHT (SPACE)

THE FACE is in the middle top of the frame, LEFT FLY is in the bottom left, and RIGHT FLY is in the bottom right corner.

THE FACE
So, are you my friends?

LEFT FLY
Ha, sure man.

RIGHT FLY
Lol
